Be Heard

For more information contact us at:
support@salamatech.org

Be Heard is a SalamaTech initiative aimed at empowering Syrian non-violent voices to cut through the noise of conflict.

Be Heard is an easy-to-use **e-learning portal** providing Syrians with multimedia, how-to content on digital safety, digital journalism and social media outreach. Built for a mobile-first, high-risk environment, **Be Heard** helps Syrians reach out to the world.
